

**IMPORTANT INFORMATION FOR STUDENTS
PLANNING TO TAKE NBCE PART II EXAMS IN
MARCH 2013**

In order to be eligible for the NBCE Part II exam in March 2013, all students must complete eight hours of Public Health workshop taught by Dr. Ramcharan. The workshops are scheduled on Wednesday mornings 8-9 a.m. in R-200. This is material that is on the board exam that was not covered in the public health component of Pathogenic Microbiology.

The workshops will be held on the following Wednesdays:

Sept. 26	Introduction to public health, healthy people 2020, leading health indicators, levels of prevention
Oct. 3	Principles of epidemiology – public health perspective
Oct. 10	Health promotion/wellness, health risk assessment
Oct. 17	Health behavior theories
Oct. 24	No class
Oct. 31	Epidemiology of obesity, physical activity, weight management
Nov. 7	Role of musculoskeletal conditions in public health
Nov. 14	Tobacco use counseling, substance abuse, and stress management
Nov. 21	Injury prevention, putting health promotion into practice

**ONLY STUDENTS WHO COMPLETE ALL EIGHT HOURS WILL BE
CERTIFIED AS ELIGIBLE FOR NBCE PART II.**
