

EVALUATION WORKSHEET

Bachelor of Science Major: Human Biology

Applicant Name: _____ Date: _____

DOCUMENTATION REQUIREMENTS

- Official College Transcript(s)
- Application Fee (\$150)

LOWER DIVISION COURSE REQUIREMENTS (60 Semester Credit Hours)

- English Composition, Speech, or English Literature (6) _____
- Psychology (3) _____
- Social Sciences or Humanities (15) _____
- _____
- _____
- Biological Sciences, each course must include pertinent lab (6) _____
- _____
- Chemistry (12) _____
 - General/Inorganic Chemistry (min. 3) _____
 - Organic Chemistry/Biochemistry II (min. 6) _____
 - Min. of 6 hrs. with related lab _____
- Physics and related studies (6) _____
 - Physics with related lab (3) _____
 - Physics, biomechanics, kinesiology, statistics, exercise physiology (3) _____
- Electives (12) _____
- _____
- _____
- _____

UPPER DIVISION COURSE REQUIREMENTS (64 semester credits)

Anatomy

- Histology (4.5)
- Gross Anatomy & Embryology I (7)
- Gross Anatomy & Embryology II (7)
- Human Neuroanatomy (4.5)

Physiology

- Cellular/Muscle/CV/Respiratory Physiology (6.5)
- GE, GU, Endocrine & Neurophys. (6.5)

Microbiology

- General Microbiology (3)
- Pathogenic Microbiology (4)

Chemistry

- Human Biochemistry (5)

Pathology

- General Pathology (4)
- Systems Pathology I (3)
- Systems Pathology II (3)

Science Electives

(6 credit hours from this list)

- Spinal Anatomy (3)
- Spinal Biomechanics (2)
- Lower Extremity Biomechanics (2)
- Upper Extremity Biomechanics (2)
